

**IMAGINE, BELIEVE AND ACHIEVE**

**Mission**

At TTI, we seek to enhance the quality of life of those we serve through an array of clinical best practices that inspire healthy living, empowerment, and recovery while promoting the attainment of personal goals and independence.

**Funding**

Funding for TTI services comes primarily from local county community mental health agencies and authorities under contract with the Michigan Department of Community Health. Funding is also provided by HUD and MSHDA, the U.S. Department of Veterans Affairs, and through grants. This funding is generally used for persons with the most severe forms of disabilities who are eligible for Medicaid.

**About TTI**

TTI is a private, not-for-profit agency that has been providing specialty behavioral health services and training in Michigan since 1987. We provide a wide range of community-based services and supports to adults with psychiatric disorders and to those with both co-occurring psychiatric and substance use disorders. We also provide services to children and adults with developmental disabilities and children with emotional impairment.

The TTI Housing Program is accredited by the Commission on Accreditation of Rehabilitative Facilities (CARF).
