

IMAGINE, BELIEVE AND ACHIEVE

MISSION

At TTI, we seek to enhance the quality of life of those we serve through an array of clinical best practices that inspire healthy living, empowerment, and recovery while promoting the attainment of personal goals and independence.

FUNDING

Funding for TTI services comes primarily from local county community mental health agencies and authorities under contract with the Michigan Department of Community Health. Funding is also provided by HUD and MSHDA as well as through grants. This funding is generally used for persons with the most severe forms of disabilities who are eligible for Medicaid.

ABOUT TTI

TTI is a private, not-for-profit agency that has been providing mental health services and training in Michigan since 1987. TTI provides a wide range of clinic and community-based services to support adults with behavioral health issues and co-occurring disorders. In addition, TTI provides a full array of services to children with autism spectrum disorders, developmental disabilities and emotional impairments. TTI delivers a wide range of specialty mental health services to include Applied Behavior Analysis, Clubhouse, and Employment Services. TTI accepts Medicaid and private insurances.

Housing Program

Housing Program

Housing Program assistance is provided to consumers who meet specific criteria, with emphasis on those who are either homeless or at imminent risk of becoming homeless. Services include outreach services, housing search, counseling and acquisition, community-based training, tenant-landlord mediation, transitional housing and more.

ELIGIBILITY

Consumers in housing programs must be low income, 18 years of age or older, able to live independently, have a mental health diagnosis*, and/ or be homeless or at risk of homelessness meeting income requirements.

All programs offering subsidized housing require an individual be homeless per the U.S. Department of Housing and Urban Development (HUD) definition of homelessness. Families may be suitable for these programs.

TTI'S HOUSING PROGRAMS

PROJECT ASSISTING in the TRANSITION from HOMELESSNESS (PATH)

* Jackson, Lenawee, Livingston & Monroe Counties

Primary services provided are:

- Limited, 90-day housing case management to obtain income or housing if not receiving case management from a core provider agency
- Coordination of SSI Outreach Access and Recovery (SOAR) applications, as needed
- Linking to resources for both housing and supportive services

Financial assistance, in some instances. Assistance may be available with security deposits, first month's rent, arrearage payments and other immediate housing related expenses.

Process: Consumer must contact TTI and request that a PATH intake be performed.

SHELTER PLUS CARE (S+C)
